Grants for Research and Education
For current and future students of any institute of higher education interested in research potential scholarships, fellowships, and grants for one’s education, as well as all researchers, including faculty and researchers from UW-Madison departments who are interested in identifying grant opportunities.

- Tuesday, February 25 ~ 10:00 a.m. – 11:30 a.m.
  Introduction to Finding Grants: Part 1
  Learn the 10 most important things you need to know about finding grants for your non-profit organization, complete with a brief demonstration of the Foundation Directory Online.

- Wednesday, March 25 ~ 10:00 a.m. – 11:00 a.m.
  Introduction to Finding Grants: Part 2 Hands-on session
  Gain hands-on experience using the Foundation Center’s flagship database, the Foundation Directory Online. Those new to grants research should consider taking this session with Part I.

- Wednesday, March 25 ~ 11:15 a.m. – 12:00 p.m.
  Introduction to Proposal Writing
  In this workshop, you will get an introductory overview to the proposal writing process, including effective ways to follow up on your proposal.

- Wednesday, April 15 ~ 11:00 a.m. – 12:00 p.m.

Further Information
Workshops generally exclude funding for for-profit enterprises and for personal welfare assistance.
